

New EBS Joint Masters Degree Initiative

EBS Paris – EBS London

EBS Diplôme Master

A new Masters degree initiative is now available between EBS Paris and EBS London under the aegis of the EBS International (EBSI) network.

The initiative is designed to give a competitive advantage to students aiming to enter the international employment market. This short articulated programme is available for EBS Paris students at the end of their 5 year curriculum and for EBS London students immediately following successful completion of both the BA and MA/MSc/MBA programmes.

EBS London students successfully completing the one semester programme at EBS Paris would be awarded a Diplôme Master validated by the French State. A typical qualifications profile of successful students would therefore be: BA, MA, Diplôme Master.

This unique Masters degree provides EBS London students with the opportunity not only to increase their qualifications portfolio effectively, but also to broaden their Masters educational experience drawing on the expert teaching available at EBS Paris whilst undertaking study in either English or French or English and French.

- **Qualifications for Admission:** successful completion of both BA and MA/MSc/ MBA degrees
- **Duration of Study:** One semester - September until December
- **Diplôme Master Specialisms:** (i) Financial Management & Control (ii) International Business & Entrepreneurship (iii) Marketing & Communication
